

Fun Food for Kids lists places to eat in the areas your family will want to explore in San Diego. The heart of Coronado is the Hotel del Coronado, a Victorian era hotel that's perfect for Sunday brunch or you can grab a sandwich from the deli and head to the beach close by. Need something substantial? We list all the kid-friendly spots in Coronado Village, from breakfast to burritos, natural foods to Chinese. Just arrived on the ferry? We guide you to great spots to get a snack at the Ferry Landing Marketplace. Wherever you find yourself, whatever you're in the mood for, here's the list of family-friendly meals and treats in Coronado.

Each fun food listing is labeled so that you'll know right away which ones are good for snacks, where to get food to-go, where to find a quick bite or a sit-down restaurant, or where to splurge to make dining out a special occasion:

- **Treats/Snacks** (bakeries, juice bars, ice cream shops)
- **To go** (where to get things for picnics)
- **Quick food** (counter service, food courts)
- **Simple dining** (casual, family-style restaurants)
- **Splurge dining** (something special: you may pay extra, but you get a great view, setting or food)

When you go to a sit-down restaurant, kids' menus are a bonus – food for little kids and a price break too. Restaurants with kids' menus have a "fork and knife" icon: ☒
