Each fun food listing is labeled so that you'll know right away which ones are good for snacks, where to get food to-go, where to find a quick bite or a sit-down restaurant, or where to splurge to make dining out a special occasion:

- **Treats/Snacks** (bakeries, juice bars, ice cream shops)
- **To go** (where to get things for picnics)
- **Quick food** (counter service, food courts)
- **Simple dining** (casual, family-style restaurants)
- **Splurge dining** (something special: you may pay extra, but you get a great view, setting or food)

When you go to a sit-down restaurant, kids' menus are a bonus – food for little kids and a price break too. Restaurants with kids' menus have a "fork and knife" icon: ☒
