

Fun Food for Kids lists places to eat in the areas your family will want to explore in San Diego. Out-of-towners often choose to stay in Mission Valley because it has tons of hotels and a great central location. It's also near one of the best California missions, Mission de Alcalá, as well as Qualcomm Stadium. Starting out for breakfast, we steer you to great hotel-close and kid-friendly restaurants. Near the mission, why not try something traditional, like Mexican food, or pick up a quick bite of Chinese, Japanese or pizza. Whether you're fueling up for a day's adventures or coming back from a day trekking around San Diego, we've got all the spots to eat, from snacks and treats to comfort food, up and down Mission Valley.

You can also look up fun food by categories, to choose what your family likes:

- Breakfast
- Bakery
- Juices
- Deli
- Ice cream
- Pizza and pasta
- Hamburgers and hot dogs
- Vegetarian and natural foods
- "Homecooking" and diners
- Steak and BBQ
- Mexican
- Chinese
- Japanese
- Seafood

Each fun food listing is labeled so that you'll know right away which ones are good for snacks, where to get food to-go, where to find a quick bite or a sit-down restaurant, or where to splurge to make dining out a special occasion:

- **Treats/Snacks** (bakeries, juice bars, ice cream shops)
- **To go** (where to get things for picnics)
- **Quick food** (counter service, food courts)
- **Simple dining** (casual, family-style restaurants)
- **Splurge dining** (something special: you may pay extra, but you get a great view, setting or food)

When you go to a sit-down restaurant, kids' menus are a bonus – food for little kids and a price break too. Restaurants with kids' menus have a "fork and knife" icon: ☒
