

The Embarcadero

Fun Food for Kids lists places to eat in the areas your family will want to explore in San Francisco. The Embarcadero is San Francisco's old wharf district, where you'll find local traditions like the Tadich Grill, "established 1849." The Ferry Building, a famous San Francisco landmark, is now home to restaurants and cafes, featuring the best local foods. At Embarcadero Center, choose a sit-down restaurant, or pick up some deli sandwiches, find a table on the promenades, and enjoy this urban oasis. When the fog rolls in off the Bay, head into Rincon Center (don't miss the landmark murals), or One Market Plaza - Bayside Cuisines, where you can get a wide range of quick food and snacks. Wherever you find yourself, whatever you're in the mood for, here's the list of family-friendly meals and treats around the Embarcadero.

You can also look up fun food by categories, to choose what your family likes:

- Breakfast
- Bakery
- Juices
- Deli
- Hamburgers and hot dogs
- Vegetarian and natural foods
- Pizza and pasta
- "Homecooking"
- Ice cream and sweets
- Chinese
- Japanese
- Mexican
- Seafood

Each fun food listing is labeled so that you'll know right away which ones are good for snacks, where to get food to-go, where to find a quick bite or a sit-down restaurant, or where to splurge to make dining out a special occasion:

- **Treats/Snacks** (bakeries, juice bars, ice cream shops)
- **To go** (where to get things for picnics)
- **Quick food** (counter service, food courts)
- **Simple dining** (casual, family-style restaurants)
- **Splurge dining** (something special: you may pay extra, but you get a great view, setting or food)

When you go to a sit-down restaurant, kids' menus are a bonus – food for little kids and a price break too. Restaurants with kids' menus have a "fork and knife" icon: ☒
