

Fisherman’s Wharf and Pier 39

Fun Food for Kids lists places to eat in the areas your family will want to explore in San Francisco. Sample scrumptious treats in the soda fountain at Ghirardelli Square or stroll along Pier 39 with a hot dog in hand and a view of 500 basking seals. Watch fresh-caught Dungeness grabs as they’re cooked at sidewalk stalls, grab some chowder in a bread bowl, or pick up some sandwiches for a picnic at Aquatic Park. Want to relax at a table with a view? Fisherman’s Wharf is famous for its Italian restaurants and seafood. Wherever you find yourself, whatever you’re in the mood for, here’s the list of family-friendly meals and treats at Fisherman’s Wharf.

You can also look up fun food by categories, to choose what your family likes:

- Deli
- Bakery
- Juices
- Breakfast
- “Homecooking” and diners
- Hamburgers and hot dogs
- Pizza and pasta
- Ice cream - Sweets

Each fun food listing is labeled so that you’ll know right away which ones are good for snacks, where to get food to-go, where to find a quick bite or a sit-down restaurant, or where to splurge to make dining out a special occasion:

- Treats/Snacks (bakeries, juice bars, ice cream shops)
- To go (where to get things for picnics)
- Quick food (counter service, food courts)
- Simple dining (casual, family-style restaurants)
- Splurge dining (something special: you may pay extra, but you get a great view, setting or food)

When you go to a sit-down restaurant, kids’ menus are a bonus – food for little kids and a price break too. Restaurants with kids’ menus have a “fork and knife” icon: ☒
